Quad-Drop Sign Stand™

Stock No: 54000
Patent Pending

Compact and Lightweight

All four legs drop at the same time

Deployed and ready for a roll up sign

- All four legs release at once providing the quickest deployment of any traffic control sign stand.
- Corrosion resistant aluminum construction is durable and lightweight.
- Reduce your crews exposure time to traffic with a 2 second Quad-Drop deployment.
- NCHRP 350 Accepted for 36" or 48" roll-up signs.
- Quick pin latch bracket provides easy insertion of corner pocketed roll-up signs.
- Four telescoping aluminum legs for increased stability.
- 13 lb. Quad-Drop sign stand is ½ the weight of other conventional compact sign stands.
- Works with **ALL** TraFFix Devices corner pocket roll-up signs.
